Artist Checklist for participating in Downtown Art Walk at SCORE:

Contact Score to hang show the beginning of the month during offices hours:

Monday, Wednesday, and Friday 12 pm to 3:30 pm

Artists should leave a message with their own number. When their message is returned, the volunteer can make a specific arrangement with the Counselor on Duty for the particular day that the artist wants to come down. Artist can then verify with the assigned counselor that they will be there. Eighteen spots are available for work, three of which are hangers over the partition. SCORE wants all artists to use the existing nail holes, please try to keep new nail holes to a minimum.

Leave information for art sales

Check for \$15.00 made out to Ken McMurry, Art Walk Coordinator,  
PO Box 664, Gainesville, Fl 32602  
by the 15th of the month, and put SCORE and month in the check memo.

Brief artist's bio. or description of art work to email: [artwalkgville@gmail.com](mailto:artwalkgville@gmail.com) by the 15th of the month

Be present the last Friday of the month for art walk opening from 7-10, provide a snack and beverage, a large quantity is not needed, if you have wine also provide something non-alcoholic, Charlotte will open doors at 6:45. Pick up your packet of maps at Harold's Frame Shop down the hall.

Most artists are taking their show down immediately after art walk, but you can arrange your schedule as you wish then let the next artist (or Carol) know when they can hang their work

From SCORE: Our vision for the community of artists: to provide a public place to exhibit their works. We need the artist to cover the monthly expense of \$15.00 to participate in the Art Walk (this can be multiple artists - 3 maximum). The artists need to do their own selling - we do not have the manpower or legal ability to sell anything, we can only provide the space and hand out any contact information for the artist.

Please review the Exhibition Guidelines (PDF) before applying to any GFAA events.
